I. Steward

A Steward shall be a working journeyperson Employee appointed by the Union who shall, in addition to his work as a journeyperson, be permitted to perform during working hours such of his Union duties as cannot be performed at other times. The Union agrees that such duties shall be performed as expeditiously as possible and the Employers agree that the Steward shall be allowed a reasonable amount of time for the performance of such duties. The Union shall notify the Individual Employer of the appointment of each Steward.

No Steward shall be discharged or laid off except for just cause as described in Section 3B (7). Violation of this Section by the Individual Employer and discharge of a Steward shall be subject to grievance pursuant to Section 5. A Steward shall carry on his union duties in such a manner so as not to interfere with the performance of the work.

If the Individual Employer has been notified in writing of the appointment of a Job Steward the appropriate Local Union shall be given a one (1) day notice before a Cement Masons' Steward is laid off, unless the Cement Masons' work is finished.

J. Protective Clothing

The Individual Employer shall furnish the necessary goggles, hard hats, or other protective clothing pertaining to work with caustic materials. Rainwear will be issued as necessary. Such equipment shall be furnished, as necessary, by the Individual Employer free of charge and returned by the Employee immediately upon completion of the work and in the same condition as received subject to reasonable wear and tear. Such equipment shall be sanitized before reissue. No additional rain gear or other protective clothing will be reissued to the Employee unless and before he returns all original items issued.

K. Parking

In the event parking facilities are not available within three (3) blocks of a jobsite, the Employer will provide such facilities and the Employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions it is necessary to use public facilities, the Employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certifying to the cost thereof; such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. The area covered by this Agreement shall be the City of Sacramento, City and County of San Francisco, and the Counties of Alameda, San Mateo, Marin, Contra Costa, and Santa Clara.

Section 10 Effect on Existing and Other Agreements

When an Individual Employer works on a job that is covered by a project labor agreement to which the Union is signatory, the Individual Employer may work under the parties' Master Agreement for Northern California or the Project Agreement, whichever is more favorable to the Individual Employer.

interdependent. Should either of such Sections be held or determined to be illegal or void for any reason, then both of said clauses shall forthwith become of no further force or effect and neither party shall by implication be bound thereby. The parties agree if and when any provisions of this Agreement are held or determined to be illegal or void they will then promptly enter into lawful negotiations concerning the substance thereof.

It is the intent of the parties to this Agreement that each and every; all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation of each of the provisions of this Agreement is therefore intended to apply no broader than that permitted by law.

Section 15 Travel Expense/Travel Centers

For jobs bid on or after June 15, 2005, the following provisions apply:

"Travel Expense" is defined as reimbursement for gas, oil, tires and auto maintenance and is not a wage or reimbursement for time spent in travel to or from the jobsite. No employee shall be disciplined for refusing to travel in a company vehicle to or from the jobsite.

"Traveling Centers" are defined as those area dispatch offices that exist on June 28, 1999.

Effective June 15, 2005, any job located fifty (50) miles or less from a Traveling Center shall not be subject to travel expense pay.

Each employee covered by this Agreement who travels over fifty (50) miles to the place of reporting for work from his residence or the location of the Area Dispatch Office having jurisdiction over the project, whichever is closer, shall be paid at the Federal Reimbursement rate per mile for all miles traveled outside the fifty (50) road miles and return to the fifty (50) mile mark only.

It is understood that travel expenses shall be paid for each day a worker travels and is employed in work covered by this Agreement, but no later than once a week or upon termination whichever is sooner.

On Canal and Highway jobs the geographical midpoint of the job shall be considered as the reporting point for the purpose of travel expense pay. On all other jobsites, the project office shall be considered as the place of reporting for work for the purpose of travel expense pay.

The Employer agrees that no project office will be established in an area closer than fifty (50) miles in an effort to defeat the travel expense procedure herein established.

Section 16 Expense Out of Town

The Individual Employer, when transporting an Employee from his home area dispatch office to localities outside the jurisdiction of the Employee's home area dispatch office, requiring the Employee to live away from home for "jobs of short duration" shall reimburse the Employee for board and room expenses, or may, at employer's option, pay the Employee per diem of \$65.00 per day for each day he is required to spend the night and is available for work.

For the application of this Section only, "jobs of short duration" shall be interpreted to mean jobs of two (2) months or less. In the event the job or project is more than two (2) months in duration, the employer will have the option of: (1) continuing the Employee and reimbursing as outlined above, or (2) lay off the Employee without any restriction options of accepting layoff or transferring to the Local Area dispatch office and provide return travel expenses to his home base; or, the Employee will have the option of accepting layoff or transferring to the Local Area having jurisdiction over the job and receiving travel and/or subsistence applicable to the Employee member of the Local Area dispatch office.
